DOUBLE RUN FORMAT: We will run the same course twice.

For example: Elite Jumpers will walk, then run both Round 1 and Round 2 (running the same course). We then build Open Jumpers, walk Open Jumpers and run both Round 1 and Round 2 (running the same course). And so on, with Novice and Intro.

CATEGORIES

Each class will be split into two categories, **Proficient** and **Skilled**.

A dog may only be entered in **ONE** category per weekend trial. In the Proficient Category, dogs must jump their measured jump height per the current jump height table. In the Skilled Category, exhibitors **MUST** jump their dog one jump height lower than they are required to jump in the Proficient Category.

INTRO CLASSES:

The Intro level will be a shorter course than Novice. The only Intro level class with weaves will be Intro Weavers and it will have one set of 6 poles. No other classes will have weaves in them. The Intro level will have no tunnel/contact discriminations. The Intro level is a full titling level with the basic titles at 30 points, Outstanding Performance at 60 points (100 points for Regular) and Superior Performance at 100 points (200 points for Regular). In Intro, dogs may jump any jump height lower than their regulation height. Dogs may **NOT** jump higher than their regulation height, and the Maximum Jump height for intro is 16". There is no intro class in Gamblers. You do **NOT** have to start in Intro, you can start your dog's NADAC career in Novice! (Please see NADAC Rule Book for Grandfathering to a higher level)

VETERAN OR DISABLED HANDLER:

Disabled handlers or handlers aged 60 years or older may opt to enter as a Veteran Handler and receive additional standard course time and the dog must jump 4" lower than their standard division height in the VH division. This division is for handlers only. When entering as a Veteran/Disabled Handler, you must enter all classes and all your dogs in this division for the weekend.

VETERAN DOGS:

For dogs, the veteran level is open to any dog age seven (7) years of age or older. The dog's age shall be determined by the dog's actual birthday, or the closest date, as known. Dogs must enter the Veteran Division after their 9th birthday. Dogs in this division are given the allocated Veteran course times. After their 12th birthday dogs must enter the Skilled Category, Veteran Division.

JUNIOR HANDLER DIVISION:

The Junior Handler division is open to any dog which is being handled by a handler who is 17 years of age or younger. Dogs in this division are given the allocated Junior Handler standard course time.

COMBINED POINTS:

At all levels, points from all divisions are combined for titling purposes, and there is no distinction between the divisions. So, a dog may earn some points from the Standard division and some from the Veterans/VH/JH division and all points will be combined for titles and awards.

FOOD/TOYS IN POCKET:

Food or a small noiseless toy may be carried into the ring in your pocket provided it is contained in a zip lock bag or small container such as a pill bottle. The container cannot be visible in the ring nor within 10 feet of the ring. You cannot indicate to your dog that you have this item on you i.e. patting your pocket. You are not allowed to remove the container until you are at least 10 feet outside the ring. All food and toys must be contained at the trial and none can be left lying about loose. This policy has been implemented to reduce the possibility of dogs fighting over loose food or toys, diminish dogs dragging their handlers back to their crates (or wherever they left their food), and to reduce the number of insects that gather around loose food.

AWARD CELEBRATION BARS

WILL BE AWARDED FOR: NATCH, V-NATCH and Platinum NATCH.

One bar per dog at this trial.

We can add multiple titles to the bar if more than one title is won at our trial.
