

NADAC Height Card Info

- Dogs must be 2 years of age or older to be measured for a height card.
- Dogs under the age of 2 are **not** required to be measured at trials until they are over 2, measuring is only required once they reach 2 years of age.
- If the dog is within 1” of measuring into the next height group, a measurement by a second judge is required.
- Dogs are required to have a height card once they enter the Elite level.
- A height card is required to enter NADAC Championships. Unless the dog is 2 years or younger, then a measurement at the Championships’ event will be required.

Video Submissions for Height Cards

- Handlers can submit video measurements for dogs, if measuring at a trial is not an option.
- Videos must clearly show that the wicket is the correct height with a tape measure.
- Videos must clearly show the wicket on the dogs wither, and that the wicket is touching the ground.
- Videos can be submitted for review to support@nadac.com
- A video submission does not guarantee a height card, the video must be approved through the office.

Permanent Height Card Application

Dogs Callname - _____ Dogs Registration Number- _____

Owner Name - _____

*****If the height is within 1" - measurements by two different judges are required.*****

Check what height the dog was measured into:

- | | |
|--|----------------------------------|
| <input type="checkbox"/> 11" and under | Measuring Judge - _____ |
| <input type="checkbox"/> 14" and under | |
| <input type="checkbox"/> 18" and under | Date Measured - _____ |
| <input type="checkbox"/> 22" and under | |
| <input type="checkbox"/> Over 22" | Trial or Club Measured at: _____ |

Second Measurement Needed? Yes No

Only fill out if second measurement is needed
